Washington, DC 20231Interview Summary

Sir:

The Examiner is thanked for the courtesy of a telephone interview concerning the above case on November 7, 2003. This call was a culmination of several calls reminding the Examiner to issue a new action which removes the finality of the previous action for the above referenced case. It is our understanding that the new action removing the finality of the previous action will replace the previous action. In the telephone call, the Examiner confirmed that the timing to respond to the new action, once issued, will be determined by the mailing date on the new action. The Examiner stated that he hopes to issue the new action by the end of November.
